

Day 20 Group Project Work Day

Nov. 24, 2020

Announcements

- **Homework 5** Working with Tensorflow. Due 12/4. This is the last homework assignment!
- **Projects** Rubric posted to D2L.
 - Due finals week
 - 8-10 minute video presentation + documented notebook on your analysis
 - 3 In-class work periods for the project

Calendar

This week

- Tuesday 11/24: Project work day 1
- Thursday 11/26: No class

Next Week

- Tuesday 12/1: Day 20 Neural Networks 1
- Thursday 12/3: Day 21 Neural Networks 2

Last week of classes

- Tuesday 12/8: Project work day 2
- Thursday 12/10: Project work day 3

Today's Class

- We will put you in your project groups
- Today's in-class notebook is an update for us on your progress
- We will drop in to discuss your project with you
- **On-track goal:** decide on data, import it, think about potential models, start cleaning

Questions, Comments, Concerns?
